| <b>Information about the town and/or neighborhood</b>           | - Sanlúcar is situated on the south coast of Spain, in the region of Andalucía. It's not very big. 70.000 inhabitants. It's located in an agricultural area but it has a great cultural heritage.<br>We think you can enjoy the city. Lots of bars, great gastronomy, beaches and lovely weather. Our former assistants liked Sanlúcar very much.<br>We have sports centres and public indoor swimming pool.<br>We have cinemas but if you like theatre, you can go to Jerez or Cadiz which are very close to Sanlúcar.<br>If you prefer hiking, you can join a hiking club and go to the mountains of Grazalema. All the province of Cadiz is beautiful so you can organise visits. |
